WAZEEFA TECH INITIATIVE

The notable initiative, "Wazeefa Tech" underscores the ministry's commitment to engaging the private sector in developing and implementing training programs.

Under this initiative, the ministry collatborates with participating training providers to oversee the admission, selection, training, and employment processes..

YOUR REGISTRATION PROCESS

- Choose your preferred training provider for your training program
- Select your preferred track and review the technical requirements. You can select multiple tracks if desired
- Fill out the application form on the training provider's link
- Get ready and submit the required documents through the provided links on the selected training providers' link:
    - Birth Certificate
    - Graduation Certificate
    - Recent utility bill (Gas or Electricity)
    - Military service certificate (for males only)
    - Copy of National ID and Recent CV
- **Once you have been selected from the company, you need to complete the essential documents with Nasser Social Bank**
